

MTPX-EH

ELEGANT EH PROXIMITY READER

MTPX-EH is a proximity reader with a polycarbonate front plate, available in a silver metal housing or in black ABS. It is elegant, slim and compact and its design is suitable for inside and outside use. MTPX-EH is compatible with most access controllers and Time and Attendance systems. It incorporates access control standard protocols such as Wiegand 24 to 42 bit.

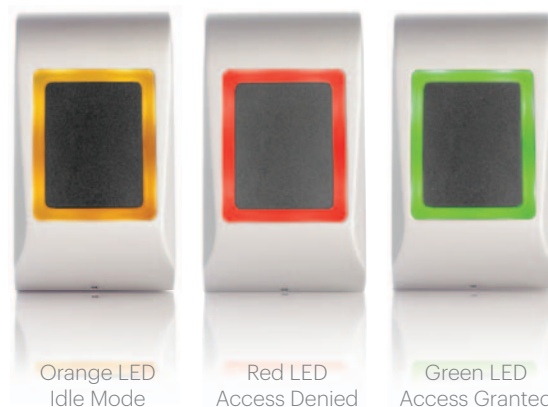

Black Edition

Product available in Black ABS
