

The ME-43 enclosure is dedicated to RACS 5 modules and devices which require installation on DIN rail along with 17 Ah battery. The enclosure is equipped with 2 DIN rails, tamper contact and main fuse switch. Access to the

internal space of the enclosure is protected by a door fixed by screws. Optionally, the door can be equipped with key lock. The ME-43 is made from a metal sheet painted with an anthracite grey powder coating.

**Features:**

- metal enclosure for RACS 5 modules and devices
- 2 DIN rails 396 mm
- tamper contact
- main fuse switch 5 A
- space for 17 Ah battery
- RAL7016 colour powder coating
- internal dimensions: 398 × 545 × 100 mm (width × height × depth)
- CE, RoHS mark
- protection grade IP20
