

Range Extender

Assembly Instructions

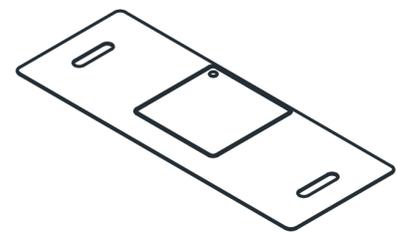

1

It is recommended to **clean the surface** before installing the range extender.

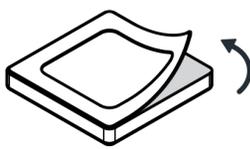

2

Peel the protective film from the back of the range extender.

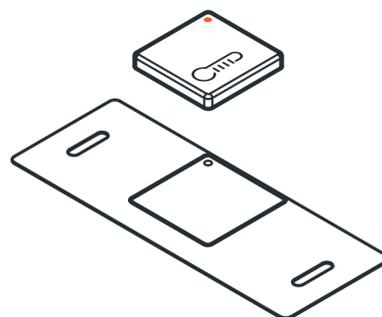

3

Stick the range extender on the surface where the sensor will be mounted.

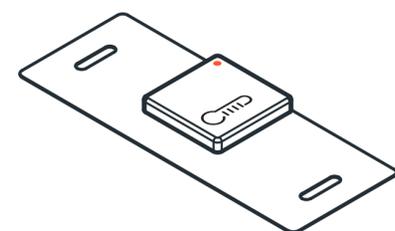

4

Peel the protective film from the back of the sensor.

5

Orientation matters: Make sure the dot on the sensor is aligned with the dot on the range extender.

6

Place the sensor to the range extender. The installation is now complete.
